Ready... Set... *TAKE ACTION!*

- The RFT filed its first **grievance** this year. Central Ad. created a new full-time TIC position at Steenland and didn't post it. I will keep you apprised of the outcome.
- **Volunteers** are needed to create a "**Healthcare Advocate**" committee to work with Central Ad and other bargaining units to review our healthcare. If you are interested, please contact your building rep. by **October 5, 2012**.
- **Volunteers** are needed to review the new "**Teacher Evaluation**," and develop some guidelines. If you are interested, please contact your building rep. by **October 5, 2012**.
- The Protect Our Jobs (**POJ**)/Protect Working Families (**PWF**) initiative is looking for **volunteers** to go door to door in Roseville, East Pointe, and St. Clair Shores, to have a short dialogue about **Collective Bargaining** and its importance, since it will be on the November ballot.

If you've never participated in a door to door **canvas**, don't worry. The AFT has a script and speaking points to help. I will be meeting with Sarah Roberts this Wednesday to set up dates and times.

If going "door-to-door" isn't for you, perhaps you can help with **phone banks**, or entering data into computers. A calendar and sign-up sheet will be forthcoming.
